ABOUT OUR PROGRAM

Those accepted into our sponsorship program must complete a three-month internship at Martin Equipment. Students must also finish two years of training through a community college or an accredited John Deere tech program. Along the way, our sponsored students have access to big-time benefits:

TUITION-ASSISTANCE PROGRAM

You don't have to foot the entire bill. If you're selected for full-time employment upon graduation, Martin Equipment will reimburse up to \$12,000 of your tuition expenses for two years of schooling in exchange for two years of full-time employment after graduation.

TOOL-ASSISTANCE PROGRAM

Sponsored students will also receive a \$2,500 tool allowance as well as complimentary apparel and the safety gear needed for your internship. If you're hired for full-time employment, you'll receive an additional \$2,500 to purchase tools.

INTERNSHIP

Learn and earn at the same time! During your internship with Martin Equipment, sponsored students will earn a competitive rate while gaining valuable workplace experience.

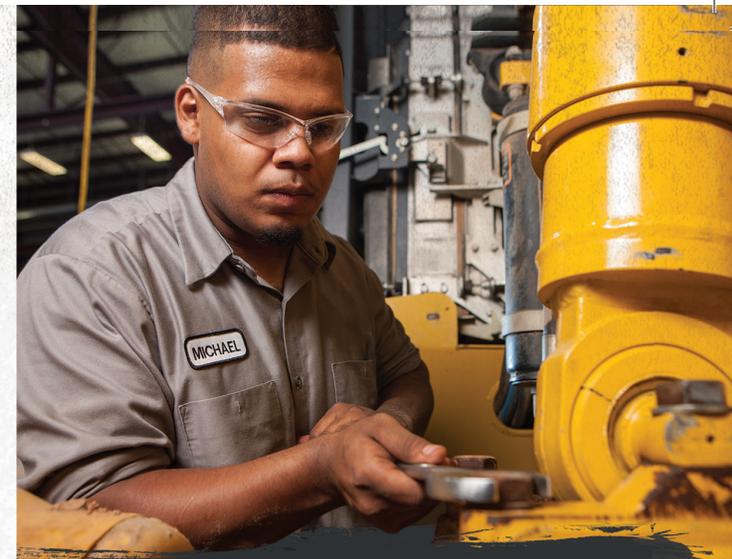

FULL-TIME EMPLOYMENT

Once you've successfully completed your technician training and internship, you will be considered for full-time employment at Martin Equipment. If selected, you'll receive industry-based starting pay and benefits.

GET TO KNOW US

Martin Equipment is a John Deere Construction & Forestry dealership with over 250 employees in nine locations in Illinois, Iowa and Missouri. Serving customers for more than nine decades, we've earned a sterling reputation for providing superior parts and legendary support.
